Little Camp on the Corner

Begin your child's summer here! Two weeks (eight days) of fun, discovery, and imagination for preschoolers. Classes will make use of both inside and outside equipment, exploring themes such as "Building and Construction," and "Balls, Balls, Balls!"

When?	May 29-June 1, 2018 (Tuesday through Friday) and June 4-June 7, 2018 (Monday through Thursday) 9:00 – 11:30 am
Who?	Children who have just completed the St. David's 3 year old program, or graduated from the 4 year old program and are enrolled in kindergarten for the fall.
Cost?	$240

Lunch Bunch

Lunch Bunch is an opportunity for children in the 4 year old class to bring a sack lunch once a week to eat at school.

For 3 year olds "Two Tuesdays" Lunch Bunch (twice a month) allows them to bring a lunch to school, eat with their friends and teacher.

Included in the hour-long period is eating together, conversation, a story, and play period. Trained staff members also lead the children in discussions centered on habits of a healthy life-style – nutritious meals, proper exercise, and good manners. Three separate sessions are available (fall, winter, spring). There is a separate registration and fee.

Enrichment Classes

"Super Science" and "All About a Book" are hour-long afternoon classes available for 4 year olds.

KinderPlus

With their own "suitcases" and "passports" in hand, children in this class visit a new country every three to four weeks. In learning the customs, culture, and some words in the language, children practice writing, math, science, geography, and reading skills. They keep a record of their trip in their writing journal and make scientific observations in their science journal.

This is an enrichment class for kindergartners and meets Thursday afternoons and Friday mornings. Separate registration and fee is required.
