Eavesdropping....

A teacher was reading notes from home during Lunch Bunch...

"Why did the Chicken cross the playground?"

Across the room a child waiting to be picked up responded...

"Wait a minute! There's a chicken on our playground?!?"

Director's Message...

Happy Spring everyone!

The season has sprung, and we are starting to see more beautiful signs of Spring and enjoying more sunny days and warmer weather!

It is hard to believe that in 5 weeks we will be gathering to celebrate the end of the school year. Spring is a very busy time around St. David's. With lots of field trips, special visits, exploration and learning going on.

Mark your calendars for Saturday, May 18 for our end of the year celebration. Everyone is welcome to the FAMILY JAM which will be held here at St. David's from 11-1pm.

I am happy to report that the church has scheduled the parking lot resurface for right after the school year (camp) ends. I am aware that this is a much needed repair and I am grateful that the church will be undertaking this project. We should be starting our new school year with a beautiful (and much less bumpy) parking area. Thank you for your patience.

We are looking forward to more fun in the weeks ahead.

Enjoy every springtime moment.

Debbie

Thank you to Mrs. Kwilosz' 3 year old class for the adorable spring flowers and yellow chicks that are decorating our front windows.
